

## Welcome to the Heart of Bladen County

Whether you're driving down the tree-lined streets of Elizabethtown, swimming in the crystal clear waters of White Lake, or enjoying one of many recreational facilities; the Elizabethtown-White Lake area of North Carolina is truly a "great place to visit and a better place to live!" Rarely do two municipalities complement each other as well as Elizabethtown and White Lake.

In addition to its viable downtown commercial district with canopied, family-owned shops and its outlying shopping centers, Elizabethtown possesses an aura of charm and southern hospitality that is truly unique.

Located seven miles from Elizabethtown, White Lake is a true phenomenon of nature. It is a Carolina Bay with 1065 acres of spring-fed fresh water, a white sandy bottom, and a gently sloping shoreline. White Lake is one of the most popular summer resorts in the Southeastern United States.

Throughout the area, you will find plenty of recreational opportunities at our state and local parks to hike, bike, swim, fish, and even plat disc golf.
