

April 3, 2020

This year, we have combined the two concert series into one and moved them to Friday night. The series will now be called “**Sunset Jams**” with 3 concerts scheduled for the Farmer’s Market in Elizabethtown and 3 for Goldston’s Beach in White Lake. We believe that these changes will enhance the attendance and offered sponsors the opportunity to give back to the community and network their businesses at the same time.

I have included the sponsorship levels and the event schedule for Sunset Jams 2020. I anticipate with your support that our attendance will exceed years past as this year’s line up is by far one our best.

As our first concert is has been re-scheduled for June 5. To ensure that your business is listed properly as a sponsor, please mail your contribution by April 30<sup>th</sup>.

We are looking forward to working towards another successful event for our community.

Thank you for your support!
