Dear Friend of the Water Festival:

As you know by now, the 42nd White Lake Water Festival has been re-scheduled for Friday and Saturday, August 21 – 22, 2020. After this year of social distancing, we are hoping to end the summer on a high note with family-oriented entertainment and activities for the entire family.

As always, we appreciate your support and generous contribution that helps make this weekend possible and such a success for the thousands of tourists who love to visit and support White Lake and Elizabethtown during the festival weekend.

As a Gold Sponsor, you can ensure your company's name or logo will be printed on the 2020 White Lake Water Festival T-shirt, the brochure and contribution board and publicly recognized throughout various events during the festival weekend by returning your contribution no later than **July 31, 2020**.

Please know that everyone involved with the Water Festival appreciates your support.

Sincerely,  
The White Lake Water Festival Committee
