Dear Friend of the White Lake Water Festival:

We are glad to announce that the 42nd White Lake Water Festival will take place on Friday, May 21 and Saturday, May 22. After this year of social distancing, we are hoping to start the summer on a high note with family-oriented entertainment and activities for the entire family in a safe atmosphere. Things may look a little different.

As always, we appreciate your support and generous contribution that helps make this weekend possible and such a success for the thousands of tourists who love to visit and support White Lake and Elizabethtown during the festival weekend.

As a Gold Sponsor, you can ensure your company's name or logo will be printed on the 2020 White Lake Water Festival T-shirt, the brochure and contribution board and publicly recognized throughout various events during the festival weekend by returning your contribution no later than **March 31, 2021**.

Please know that everyone involved with the Water Festival appreciates your support.

Sincerely,
The White Lake Water Festival Committee
