

TRAIL FESTIVAL WEEKEND IN MOTHER NATURE'S PLAYGROUND

SPONSORSHIP FORM

Please reply by September 30, 2024

Each Presidents' Day weekend, we bring people together to explore our trails and relax in naturally beautiful places through our *Trail Festival Weekend in Mother Nature's Playground*. Activities like hiking, biking, and paddling are planned throughout the county. A Friday night gathering at the Farmers Market, an outdoor expo on Saturday, and a campfire with live music on Saturday night at White Lake will give people something to celebrate.

To make this a festival to remember, we need your help. Please consider committing to one of our sponsorship levels.
